GUIDELINES FOR FILLING UP THE PER

- After initiating of their PER, the officers under report should immediately fill up the detachable 'Certificate' giving names of the RO/CO and forward the same to the Officer Incharge of their respective confidential records. This exercise will ensure proper follow-up of the pending performance evaluation reports by the concerned Ministry/Division/Provincial Government etc.
- Forms should be filled in duplicate, Parts I and II are to be filled by the officer under report and should be typed. Part III will be filled by the Reporting Officer while the Countersigning/Second Countersigning Officers will fill Parts IV and V respectively.
- Each Division, Department, autonomous body and office etc. is required to prepare specific job descriptions giving main duties of each job to be mentioned in Part-II (1). The job descriptions may be finalized with the approval of the Head of the Organization or any person authorized by him.
- The officer under report should fill Part II (2) of the form as objectively as possible and short term and long term targets should be determined/assigned with utmost care. The targets for each job may be formulated at the beginning of the year wherever possible. In other cases, the work performed during the year needs to be specifically mentioned.
- Assessment by the Reporting Officers should be job-specific and confined to the work done by the officer during the period under report. They should avoid giving a biased or evasive assessment of the officer under report, as the Countersigning Officers would be required to comment on the quality of the assessment made by them.
- The Reporting Officers should carry out their assessment in Part III through comments against each characteristic. Their opinions should represent the result of careful consideration and objective assessment so that, if called upon, they could justify the remarks/comments. They may maintain a record of the work done by the subordinates in this regard.
- The Reporting Officers should be careful and giving the overall and comparative gradings. Special care should be taken so that no officer is placed at an undue dis-advantage.
- The Countersigning Officer should weigh the remarks of the RO against their personal knowledge of the Officer under-report, compare him with other officers of the same grade working under different Reporting Officers, but under the same Countersigning Officer, and then give their overall assessment of the Officer. In case of dis-agreement with the assessment done by the Reporting Officer, specific reasons should be recorded by the Countersigning Officers in Part IV (2).
- The Countersigning Officers should make an unbiased evaluation of the quality of performance evaluation made by the RO by categorizing the reports as exaggerated, fair or biased. This would evoke a greater sense or responsibility from the reporting officers.
- The Countersigning Officers should underline, in red ink, remarks which in their opinion are adverse and should be communicated to the officer reported upon. All adverse remarks whether remediable or irreparable should be communicated to the officer under report, with a copy of communication placed in his/her CR dossier. Reporting Officers should ensure that proper counseling is given to the officer under report before adverse remarks are recorded.
- The Reporting and Countersigning Officers should be clear, direct, objective and unambiguous in their remarks. Vague impressions based on inadequate knowledge or isolated incidents should be avoided. Reports should be consistent with the pen picture, overall grading and comparative gradings.

IMPORANT

- Part I and II of the PER should be duly filled and dispatched to the Reporting Officer not later than the 15th of January. The ROs should forward the report to the Countersigning Officer within two weeks of receipt after giving their views in Parts III. The COs should then finalize their comments in Part IV within two weeks of receipt of PER. The Second Countersigning Officers, if any, should also complete their assessment within a period of two weeks.
- Name and designation of Reporting/Countersigning Officers should be clearly written. Comments should be legible and in the prescribed format and which can be easily scanned.
- Personnel Number is to be filled in by the officer under report, if allotted.
- Proforma has been devised in English/Urdu to provide flexibility to RO/CO in the choice of language.
- Comparative grading only applies to officers falling in very good, good and average categories. This grading would not apply to anyone falling in below average category in Part III (7).
