

The training on, “Basic Operations and Planning and Development of Tehsil Local Government under Khyber Pakhtunkhwa LG Amendment Act 2019” for Tehsils Upper and Lower Orakzai, under the JICA capacity building project SLG-MD, in collaboration with Local Governance School, was successfully conducted from September 18-20. The training kicked off with a pre-test, laying a strong foundation for the days ahead. The training has been marked by the sharing of in-depth knowledge which resulted in high engagement from participants while participants active involvement fostered valuable feedback and their practical exercises played a crucial role in helping participants understand the fundamentals of LG System, conduction of Council Meetings, formation of essential Committees and planning and prioritizing development activities.
