

We are excited to announce the successful completion of a training held from September 24-26 on "Basic Operations, Planning, and Development of Tehsil Local Government under the Khyber Pakhtunkhwa LG Amendment Act 2019" for Nawagai Tehsil, District Bajaur, conducted under the JICA capacity building project SLG-MD in collaboration with the Local Governance School. Key topics of the training included the conduction and proceedings of council meetings, the formation of the four essential committees, ADP planning, budgeting, and PC-I development. Participants engaged in group work and underwent pre- and post-training assessments to enhance their learning. The training significantly contributed to the understanding and performance of the participants. They also pledged to implement the action plan and share the knowledge gained with colleagues who were unable to attend, ensuring wider benefits.
